Hello

You are on our list to receive an Annual Health Check with your GP Surgery.

Because of Coronavirus we are doing things a bit differently this year.

We would like you to fill in our “Get Checked Out” questions.

This will help your Doctor and Nurse to find out about your health.

You can fill it out with the help of your family or a carer.

If you can't answer all the questions that is ok. Just fill in what you can.

When it is done please post it back to us in the pre-paid envelope that came with this letter.

We'll make sure your Doctor gets it.

Your Doctor or Nurse will contact you to complete your Health Check. They have lots of patients so this may take a few weeks.

They may ask more questions over the telephone or invite you to the GP Surgery for an assessment.

If you are invited to the GP Surgery, your Doctor will make sure it is safe. Staff will be wearing masks, aprons and gloves that will help keep them and you safe.

If you have any questions about this letter, you can ring Clare Moore in the Community Learning Disability Team on 0114 226 1562. Or email:

CLDTBusinessSupport@shsc.nhs.uk

If you have any **urgent** health problems now then please telephone your GP Surgery. (Don't wait for them to telephone or write to you about your Health Check).

Thank you!
